

Jones Middle Summer Reading Program 2018
Signed Form Due by Wednesday, May 9, 2018

Help your student avoid the “summer slide” through the Jones Middle Summer Reading Program! Research suggests that students who read over the summer improve their reading skills, while students who do not read experience a decrease in achievement. The goal of the Jones Summer Reading program is to strengthen your student’s reading skills using choice reading of quality, entertaining titles.

Summer Reading Assignment:

- Read **TWO books** this summer: one from the attached list and one free choice book minimum 150 pages.
- Complete the written assignment that will be sent home with the May report card.
(This assignment will be due in August and count as a Language Arts grade.)

All forms and book trailers will also be available on the Jones website under Students > Media Center>Summer Reading. Students are responsible for obtaining copies of their books. Titles are available at the public library, local book stores, and online retailers.
